

Erasmus+

EDUPRO – Promoting LLL in HE by implementing innovative practices in RPL

EDUPRO – Promocja uczenia się przez całe życie w szkołach wyższych przez wdrożenie innowacyjnych praktyk w zakresie uznawalności efektów uczenia się uzyskanych poza edukacją formalną

Project EDUPRO

Time: 01/09/2014 – 31/08/2016

Lider: Dolnośląska Szkoła Wyższa

Partners:

- Universidade do Algarve (Portugal)
- University of Warwick (UK)
- Uniwersytet Gdański (PL)

THE UNIVERSITY OF
WARWICK

UNIWERSYTET GDAŃSKI

Aims and objectives

LLL – HE – RPL

- To search for the new ways of LLL and HE integration
- To map the different HEI contexts in relation to LLL – HE – RPL in the partner countries
- To explore the strategies (policies, systems, solutions, tools) which partners (UoW, UdA) are employing to LLL – HE – RPL
- To identify the framework, experiences and solutions to recognize prior learning outcomes and LLL activities in UK and Portugal by case study research

Four intellectual results

Activities to achieve the results

1. Institution profiles

- action: study visits & case study reports
- action: evaluation panels

2. Recommendations

- action: seminar/panel with academics
- action: implementation seminar with the stakeholders

3. Action reaserch report

- action: study of the change through implementation
- action: analyses of the action research results

4. Guidelines/Toolkit/Publication

- action: write the G/T/P (the RPL staff and the RPL tools

Dissemination of the results

- Website www.edupro.dsw.edu.pl
- International conference - Wrocław
- Workshops for the stakeholders
- Project's results campaign
